

CULTURE CHANGING WORKSHOPS

Pat offers a number of customized workshops and programs designed to ignite your organizations culture. Three of his most popular workshops are listed below. The interactive workshops are designed to be relevant to your business and promise to deliver breakthrough results with solid take-a-ways for everyone. Our research efforts enable us to create a personalized presentation for your business or leadership team. You will never get a “canned” program.

FOR BUSINESS OWNERS AND THEIR TEAMS

1 *TEAM SUCCESS WORKSHOP*

The proven formula for re-engaging your team and growing your business!

YOU WILL BENEFIT FROM WORKING WITH PAT IF YOU ARE EXPERIENCING ANY OF THESE CHALLENGES AS A BUSINESS OWNER:

- Your team is doing a good job but despite your efforts to boost energy levels they just seem to be stuck in neutral.
- You struggle to find new employees who will “leap over tall buildings” to make your business the success you know it can be.
- Some of your good team members seem to be miscast in their rolls and you struggle to figure out where they will do their best work.
- You spend too much time “managing” employees, leaving you frustrated with little time and energy to do what you do best to grow the business.
- You wish you were a better communicator with your employees. You wonder why you can’t really connect.
- You and your current team want to have fun again AND grow your business but feel like you don’t know how to get there.

FOR BUSINESS OWNERS & LEADERSHIP ONLY

2 *I LOVE YOU, YOU'RE PERFECT, NOW CHANGE...NOT*

Overcoming under leading!

3 *BE A BETTER BOSS. BUILD A BETTER BUSINESS. LIVE A BETTER LIFE!*

How the best bosses get even better!

YOU WILL BENEFIT FROM THIS PROGRAM IF YOU ARE EXPERIENCING ANY OF THESE LEADERSHIP CHALLENGES:

- Your top 10% are reaching and exceeding their goals but you struggle to get the next 30% to “want to” reach their full potential.
- You feel like there has to be a “better way” than nagging your team to success.
- You have come to the realization that you’re not really connecting with your team and you want it to be fun and profitable again.
- You don’t want to get rid of the one bad apple on your team because trying to find an employee that would be willing to “leap tall buildings” to make your business unstoppable in your market, is just too much of a challenge.
- You wish your business was a magnet for the best employees.
- Despite your success as a business owner, you want to upgrade the culture in your office where everybody enjoys coming to work...even on Mondays.
